

Main Lodge Dining Facility

We have an "on staff" Chef who will be happy to prepare your meals. Due to the number of different groups we may have on site at any one time, we no longer allow you to choose your menu. We ask that you choose which meals you will be eating with us, and leave the rest up to us. Rest assured, we will provide you with delicious and nutritious meals. Due the rising cost of vegetables, we are no longer able to include the salad bar with every lunch and dinner meal. We will be happy to make it available to your group but at an extra cost of \$1.50 per person/ per meal. For example: a \$6.50 lunch with salad bar would be an \$8.00 per person cost. The only exception to this would be if our chef chose to have soup & salad or sandwich & salad for a specific meal. At that time it would be included in the cost. If you have any questions regarding this, please give me a call.

Please write below the number of people eating each meal. Also please put a check if you would like salad bar for that particular meal.
