

GOD is BIGGER

Church Camp 2010

Come and experience Church Camp this summer at the Christian Conference Center in Newton, IA.

Learn from each other how we experience God being fuller, richer, bigger than we can grasp. Have fun with Disciples of all ages as you learn, together, what being a Disciple is all about. And what better place to do it than at the camp also known as "Holy Ground."

Scholarship forms are available. If you know someone who needs help paying camp registration fees, please call Bert at the conference center (641.792.1266).

Camp Registration forms are available from your youth leader, pastor, and online at www.uppermidwestcc.org
