

February 1, 2022

Dear Brothers and Sisters in Christ,

In this packet you will find all the information you need to promote Summer Camp 2022! Please remember that lots of our camps fill up quickly, so I suggest that you **don't wait for ALL your camp registrations to come in before you begin sending them on to us.** Below are a few updates that are important for anyone who helps process camp registrations in your congregation. Please read the whole document carefully (front and back), and don't hesitate to contact me with questions!

Weeklong Camps Will Be One Day Longer

Last year we shortened our camps by 1 day to allow for more Covid related training. This year, camp is back to its old schedule! **Camps will begin on Monday at 1:00 pm and end Saturday at 11:00 am.** Our fees for this year will reflect the additional meals and overnight stay.

Online Registration Coupon Codes

Does your church pay part of the registration fee for camp? When registering online, campers can select **coupon codes of 50% or 100% off.** If campers use a coupon code, they must specify their congregation and forward their confirmation email to their church's camp coordinator. At any time during the summer, if you would like an update of online registrations, our office can provide a list. Email registration@uppermidwestcc.org for a list.

Need More Copies?

Scholarships

Campers (or church leaders on their behalf) can request a scholarship by simply emailing me their name, camp session and amount requested. Please note: to help our scholarship dollars

help as many kids as possible, we ask that the camper's congregation pay 50% of their fee **if possible**. We want everyone to be able to attend camp!

Refund Policy Reminder

We try to work with churches and campers that need a refund. If a camper cannot attend their scheduled camp and can't switch to another event, we are happy to refund their registration fee (-\$15 processing fee). We do not refund fees for campers who simply do not show up for camp as food and supplies have already been purchased by the time the event begins.

COVID-19 Protocols

Since the beginning of the Covid-19 pandemic, the Christian Conference Center has worked hard to keep our guests, volunteers and staff as healthy as possible. We rely on guidance from the CDC and the American Camping Association (ACA) to shape our policies. We have put extra cleaning and safety measures in place for all camps and rental groups at the CCC. We are happy to report that we had **zero cases of Covid-19 at our summer camps in 2021!** We are still determining our final protocols for overnight camp for 2022. As the pandemic continues to change and as CDC and ACA guidance changes along with it, we will update our protocols. We will communicate final policies by May 1st (about 1 month before the season begins).
