

2021 Summer Camp Church Payment Information

If the church is paying a portion of camper registration, please fill out this form. **Please send a copy of this form with every batch of registrations that are sent.**

Please have camper payments made out to the congregation and send one church check to the Christian Conference Center. (This way, if refunds are needed, the Christian Conference Center/Region will send the refund to the church as you know your people better than we do!)

If you have any questions call the Camp Office at 641-792-1266 and ask for Tiff.
