

Upper Midwest Youth Council (UMwYC) Covenant

As we begin the year of service together as the 2018-2019 UMwYC, I agree to the following covenant...

Please initial beside each of the following responsibilities:

- I have a desire to enter a year of servant leadership.
- I will remain an active member of my church, including youth ministry, the entire time of my service on the council.
- I will be present at all UMwYC planning meetings, retreats, and events, or I will work out my absence far in advance with the adult leaders.
- I understand that I may be responsible for leading programming, such as worship singing, recreation, small groups, etc. during the CYF Midwinter event.
- I will abide by the UMwYC Covenant and by the rules established for campers at CYF events.
- I will help promote regional youth events, including summer camp, to my peers.
- I will set an example for other believers by attempting to personify loving, personal relationships among Christians and between Christians and God.
- I understand that failure to live up to UMwYC responsibilities as stated in this covenant could initiate discussions between myself and adult leaders about my continued participation on UMwYC.

Please sign and return this covenant with your application and letter to the Christian Conference Center / Regional Office by Friday, August 31st at 5:00 pm
